West Fellows Anatomic Complex Knee Symposium

June 10–11, 2022

Friday, June 10, 2022
6:30 pm – 9:00 pm

Saturday, June 11, 2022
7:00 am – 3:00 pm

Course Location

S+N Academy

7000 W. William Cannon Dr.
Austin, TX 78735

Hotel

Austin Proper

600 W 2nd Street
Austin, TX 78701

Agenda

Course Description

This course is an advanced Fellows course focused on complex knee reconstruction. Attendees will participate in evidence-based lectures, as well as hands on wet lab sessions to practice techniques in complex meniscal repair and ligament reconstruction.

Course Objectives

At the end of this course, participants will be able to:

- Identify various meniscal tear patterns and the appropriate treatment options to address the pathologies
- Describe the various techniques in ACL Reconstruction including graft choices, drilling, and fixation options
- Identify techniques and technologies to address complex ligament reconstruction

Faculty

Course Chairman

Dr. Michael Banffy

Sports Medicine, Hip Arthroscopy, and Joint Preservation
Team Physician, Los Angeles Rams
Team Physician, Los Angeles Dodgers
Director, Orthopaedic Sports Medicine Fellowship
Kerlan Jobe Orthopaedic Clinic
Associate Professor, Orthopaedic Surgery
Cedars Sinai - Kerlan Jobe Institute

Dr. Ryan Aukerman

Premier Bone & Joint Centers
Team Physician University of Wyoming

Dr. Eric I. Ferkel

Attending Orthopaedic Surgeon
Sports Medicine, Arthroscopic & Reconstructive
Surgery of the Knee, Ankle and Foot
Southern California Orthopedic Institute

Dr. John E. McDonald

Texas Orthopedics, a division of
OrthoLoneStar
Education Experience Director, Sports
Medicine, UT Dell Orthopaedic Surgery
Residency Program

Dr. Justin Saliman

CEO, OutcomeMD

Friday, June 10, 2022

6:30 pm	Registration/Hotel Austin Proper 600 W 2nd Street, Austin, TX 78701	
7:00 pm	Welcome to Smith + Nephew Dinner/Introduction from Chairman	Smith + Nephew Dr. Michael Banffy
7:30 pm	Orthopedic Groups and Societies	Dr. Eric Ferkel
7:40 pm	How to be successful in academic practice	Dr. Michael Banffy
7:50 pm	How to be successful in private practice	Dr Ryan Aukerman
8:00 pm	Discussion Setting Yourself Up for Success	Dr. John McDonald
8:10 pm	Discussion 1st Year Tips and Pearls: Hurdles and Milestones	ALL
